REJUVENATION

Rejuvenate and replenish your skin with this indulgent facial. Your skin will be taken on a journey using only organic products to cleanse, exfoliate and hydrate. While this beauty ritual unfolds you will also receive a deeply relaxing and deserving shoulder and head massage. Finishes with an eye cream and moisturiser.

DETOXIFICATION

Detoxify and restore your skin with this therapeutic facial. Using fingertip massage and an ancient chinese beauty tool called the gua sha, this treatment will stimulate circulation and lymphatic drainage, leaving you feeling brighter. This treatment benefits those with sinus, headaches, blemished skin and dark circles under their eyes. Consider having a course of these during your stay.

REGENERATION

Regenerate and revitalise your skin on a deeper level with this anti-aging treatment. This beauty ritual includes a deeper cleanse and exfoliation with peels and enzymes to minimise fine lines and refresh the skin to a youthful glow. Enjoy a relaxing hand, arm and head massage while the organic products do their magic.

ILLUMINATION

Illuminate your skin with this luxurious face and body experience. This ritual begins with a relaxing massage to get you in a state of bliss before turning over to receive a facial treat. Tired, stressed skin is rejuvenated and the result is beautifully re-energised skin. Hands, arms, shoulders and head are massaged while the hydrating mask restores radiance. Finishes with an eye cream and moisturiser to seal the deal.

MASSAGE THERAPY

Duration

Price

SOLAR ELEMENT

The solar massage uses the element of heat for a full body relaxation that includes long strokes with heated stones held within the palm of your therapist's hands, allowing them to deepen the touch into your muscle tissue. You will leave feeling the warmth of the sun.

55 min

\$115

AIR ELEMENT

This swedish massage consists of long flowing strokes representing the element of air. You will experience a full body relaxation therapy - the perfect way to increase circulation and release stress. Your worries will be gone with the wind.

55 min

\$115

WATER ELEMENT

This deep tissue massage represents the element of water as the therapist dives deep into each muscle to locate and repair damage often sustained through repetitive stresses on the body. Perfect if you are experiencing pain in your muscles or joints. You will feel the discomfort wash away.

55 min

\$115

EARTH ELEMENT

This reflexology massage represents the element of earth as the therapist works on your feet that touches the ground each day. It is based on the principle that every organ in the body has a corresponding reflex point on the feet. These points respond to pressure, stimulating the body to progressively clear blockages, re-establish energy flows and balance itself, resulting in better health. Walk out feeling grounded.
